

The Grascals- I am Strong

Great Airplay in Europe

The Grascals single, **I am Strong**, with special guest Dolly Parton, featured on their new album, *The Grascals & Friends*, has brought in favorable ratings among a poll of 100 European DJs and industry professionals.

I am Strong placed at number eight on the Hotdisc Top 40 during the week of Jan. 2, 2011. [Hotdisc](#) is the leading promotional company for country music in Europe. They work with some of the biggest names in country and their charts help to pinpoint high quality songs.

The Hotdisc produced survey asked European DJs and industry professionals to rate **I am Strong** on a scale of 1 to 10—10 being Excellent, 8 Very Good, 6 Good, 4 Fair, and 2 Below Average. They were also asked to answer yes or no to the question of whether or not they would play the song on their station. Seventy-six percent said they would play the song on the air and only 12 respondents rated the song below a six. An overwhelming 64 respondents rated the song at an eight or higher.
