

MONTE MONTGOMERY

Featured on Guitar Player Magazine's list of
"TOP 50 GREATEST GUITARISTS OF ALL TIME"

"Monte Montgomery proves he's a devout follower of his predecessor by wowing audiences, who can't believe how electrifying his shows really are."
THE NEW YORK TIMES

"The bottom line DON'T MISS A CHANCE to see and hear Monte Montgomery. He is a legend in the making. Astounding! Unforgettable! Raw passion and artistry at its finest"
LOS ANGELES TIMES

Other Highlights

- Cover of Frets and Acoustic Guitar Magazines
- Named one of Guitar One Magazine's Top 10 Best Undiscovered Guitarists in America
- Cover of Italy's Guitar Club Guitar Magazine
- Alvarez Signature Monte Montgomery Acoustic Guitar
- Best Acoustic Guitar Player for 7 straight years-Austin Music Awards

Monte Montgomery has taken the acoustic guitar beyond anyone's expectations. His legendary reputation has spread like wildfire since he appeared on Austin City Limits. Since then countless articles have been written about Monte describing him as "The Evel Knievel of Guitar", "Six Strings Attached To Dynamite", "The Answer To The Fermi Paradox" and "The Acoustic Shred Master" to name a few. His fretwork is now the benchmark for acoustic guitar players. "An American Original", there is no doubt Monte Montgomery is destined to become An American Legend.

In spite of all the "six-string notoriety", Monte isn't just a "guitar hero", "shred master" or "guitar god" as he's most often described. What sets Monte apart from all others is that he's one of the most accomplished songwriters of our time, a remarkable singer and an extraordinary music arranger. Many of Monte's fans attend his concerts simply to hear his compelling vocals as he delivers his finely penned songs powerfully and passionately. To some, his incredible guitar pyrotechnics are simply an addition of tasty icing topping off a delicious cake.

Monte's latest release *Monte Montgomery At WorkPlay* (Harmonic Records - 2006), available in CD and DVD versions is a double barrel treat offering fans a visual dimension of Monte's incredible power packed live performance recorded Live at WorkPlay Theater in Birmingham,
