

## ELEW Takes Hollywood By Storm!!

This past Friday, at an exclusive pre-Oscar party, held at a private estate in the Hollywood hills, Eric Lewis, aka **ELEW**, entertained a crowd made up of the biggest luminaries in the worlds of politics, fashion, media, and entertainment, including: **Harvey Weinstein, Rupert and Wendi Murdoch, Donna Karan, Barbra Streisand, David Geffen, Michael Douglas, Diane Von Furstenberg, Brett Ratner, Barry Diller, Donna Karan, Calvin Klein, Leonardo DiCaprio, Tobey Maguire, Oprah Winfrey and Hugh Jackman**, among many others.

Undaunted by the powerhouse audience, ELEW amazed with his signature piano wizardry, making loyal followers out of the megastars in attendance. However, he wasn't done mingling with celebrities the following day, ELEW attended the legendary **Vanity Fair Party** as a guest of **Forest and Keisha Whitaker**, discussing topics such as music composition and film scoring with some of the legends of the trade.

Steadily making believers out of the Hollywoodelite, ELEW has truly made the left coast sit up and take notice.

Additional information. (video, audio, links to myspace, web site, bio, etc.)
