

FOR IMMEDIATE RELEASE:

MURIEL ANDERSON RETURNS TO EUROPE FOR A “SOLO ACOUSTIC TOUR.”

Finger Picking Guitar Champion, Muriel Anderson, will return to Europe for a “Solo Acoustic Guitar Tour.”

Muriel Anderson is one of the world's leading guitarists / harp-guitarists, composers, and the first woman to have won the *National Finger Picking Guitar Championship*. From her studies with country guitar legend Chet Atkins and classical virtuoso Christopher Parkening, she has carved out a repertoire that stretches from The Beatles to Bach, Bluegrass to Bulgarian music with influences of jazz and world music. Muriel has appeared on the covers of several guitar magazines such as *Acoustic Player* and *Classical Guitar Player* and her music is featured in Woody Allen’s new film.

This is the opportunity to hear her celebrated virtuosity on the guitar in an intimate setting. Her oneness with the instrument and unassuming sense of humor make for a delightful show.
